

To the Voters and Citizens of Key West:

We, the undersigned, have served this community through positions in the Key West Police Department, Key West Fire Department, United States Navy, United States Coast Guard, the City of Key West, Monroe County, and the Postal Workers Union.

We support the three cruise ship-related charter amendments appearing on the November ballot. We believe limiting the size of cruise ships and the number of daily disembarkations will improve the quality of life for all members of our “one human family.” We do not believe these amendments would have any significant negative impact on essential services for Key West residents.

In the interests of protecting public health, welfare, our environment, and our economy, we endorse a “yes” vote on all three referenda.

Respectfully,

Lisa Morris, Commander, United States Navy (retired)

Eric Morris, Lieutenant Commander, United States Navy (retired)

Mike Coccitto, Chief Petty Officer, United States Coast Guard (retired)

Randolph Rome, Boatswain’s Mate, United States Coast Guard (medically retired / disabled veteran)

Scott Smith, Captain, Key West Police Department (retired)

Brenda Sellers, Sergeant, Key West Police Department (retired);
